- Taskbar:** Shows the system tray with a clock, a lock icon, and the text "網際網路" (Internet).

Blue Ocean Online Service – Change Password

The screenshot shows a web browser window displaying the Grandtag Financial Group website. The browser's address bar shows the URL <https://www.navglobal.com/tools/index.asp>. The website header includes the Grandtag logo and navigation links: [Investment Report](#), [Update Details](#), [Tools](#), and [Logout](#). The user's account information is displayed in the top right corner: IFA: [redacted], User ID: [redacted], Consultant: [redacted], and Base Currency: USD. The [Tools](#) menu is expanded, showing [Change Password](#) and [Language Setting](#). The [Change Password](#) link is circled in red. Below the navigation bar, the [Change Password](#) page is displayed. It contains the following text:

Change Password
Use this form to change your password to something you can easily remember. It is good practice to change your password often. Please remember that this password is used to protect some very sensitive information, so do take the trouble to choose a password which no-one else will guess. Password must be more than 6 characters long.
Examples of bad passwords are: your home telephone number, your spouses name, any single word.
Examples of good passwords are: blue23rose, Feel*good, &romeda. Click [here](#) for some suggestions.

 Below the text is a form with three input fields: **Current Password**, **New Password**, and **Retype New Password**. Each field contains a series of dots representing masked characters. The **Change** button is circled in red. Below the form are links for [Contact Us](#), [Client Confidentiality Statement](#), and [Site Usage Statement](#), followed by the copyright notice: © Copyright © 1999-2008 NAV Limited. All rights reserved. The browser's taskbar at the bottom shows the Windows logo, the address bar, and the system tray with a clock and network icon.

1. Click the "Tools" Button

2. Click to Change your Password
